

Albatross Golf

**Your go to golf course
technology partner**

About Albatross Golf

Albatross Golf is a technology and social partner dedicated to enhancing the golfer experience at partner courses. Our mission is to deliver exceptional value to golfers through exclusive benefits, unique opportunities, and strategic collaborations. We work with golf courses and brands to create customized digital asset collections in the form of non-fungible tokens (NFTs), granting owners access to special events, exclusive discounts, early product access, and valuable networking opportunities. Each golf course partner can design a fully tailored collection that aligns with their needs at no extra cost, providing a powerful way to engage with golfers and elevate their offerings.

What we offer

Our digital asset collections are designed to integrate effortlessly into any golf course operations. Customizable features include:

- **Exclusive Discounts:** Offer reduced rates on tee times, merchandise, dining, lodging, lessons, and more.
- **Preferred Pricing:** Provide special rates for asset holders based on seasonal demand.
- **Access to Exclusive Items:** Grant golfers the opportunity to purchase or experience limited-edition products.
- **Entry to VIP Events:** Invite members to participate in exclusive tournaments, experiences and gatherings.
- **Brand Partner Deals:** Collaborate with industry brands to unlock unique offers for asset holders.
- **Tailored Perks:** Customize additional benefits to align with your course's goals and enhance golfer engagement.

Course Benefits

Albatross Golf unlocks new opportunities for your course, helping you engage golfers in innovative ways while driving growth:

- **New Revenue Streams:** Generate additional income through exclusive digital asset offerings and tailored perks.
- **Competitive Differentiation:** Stand out by offering unique experiences and benefits that attract and retain golfers.
- **Expanded Reach:** Connect with a broader audience through our extensive golfer network and partnerships.
- **Enhanced Customer Experience:** Elevate the golfer experience with exclusive perks, events, and rewards.
- **Viral Marketing Potential:** Boost your course's visibility as golfers share their experiences with Albatross digital assets on social media.

Why partner with us

With a dedicated following of over 5 million across social media, Albatross Golf offers unparalleled visibility and engagement for our partners. Golf courses featured in our content, on our website, and at our events consistently experience increased traction and golfer interaction. As a partner, we are committed to showcasing your course through targeted promotions, exclusive events, and strategic marketing efforts designed to attract more players and enhance engagement. Our initiatives not only drive more golfers to your venue but also contribute to environmental restoration efforts, reinforcing a positive impact on both the game and the planet. Together, we can expand your course's reach, strengthen golfer connections, and create lasting value for your business and community.

How a partnership will work

- Albatross will work with your golf course to guarantee a specialized solution.
 - Our team of experts will work with you on getting every detail of the collection(s) created
 - We work and guide you through the creative process from start to finish. This includes:
 - Quantity of the collection
 - Artwork/looks of the collection
 - The price of the first sale of the collection
 - The benefits attached to each asset in the collection
 - The verification of the owners of each asset in the collection
 - The data we can gather through the collection
 - The marketing process for sharing the collection
 - The charitable aspect of each collection

What our golf course partners will have to do

At Albatross, we strive to ensure that our golf course partners experience the maximum benefits from our partnership with minimal effort. To facilitate this, we ask our partners to:

- Honor Digital Asset Benefits: Ensure that the benefits associated with each digital asset are recognized and promoted at your course.
- Verify Digital Asset Ownership: Complete a quick verification of digital asset owners through the Albatross website. This simple, in-person process takes less than 15 seconds.
- Collaborate on Enhancements: Work with us on product enhancements and share ideas to create an even better golfer experience.

By following these straightforward steps, we can maximize the impact of our partnership while keeping your workload to a minimum.

Additional Albatross promises as a partner

At Albatross, we're dedicated to enhancing golfer experiences through a range of tailored services for golf courses. Our offerings include:

- Social Media Enhancement: We create engaging content—like hole highlights, course flyovers, and features on amenities—directed by management to boost your online presence and attract more golfers.
- Tournaments and Events: We organize golf tournaments and events exclusively for Albatross community members at your course, driving participation and engagement through our established network.
- Golf League Exclusivity: We are actively seeking exclusive partnerships with golf courses to host our sponsored leagues, providing steady traffic and visibility for your venue.

We pride ourselves on our flexibility and collaboration with partners to continuously improve and tailor our services to meet your needs.
